

BHP

Towards Gender Balance 15th Gender Summit

Jean des Rivières, VP Exploration

June 19, 2018

BHP

Our CEO said: “By 2025, we will have reached gender parity in our organisation.”

BHP

Exploration faces complex challenges.
We need to adapt and change to be successful.
The status quo is not an option.

BHP

To be successful with our Inclusion and Diversity Program, we need to implement initiatives that have an impact on people's lives.

BHP

We have highly-skilled people
and outstanding teams, but that
is not enough.
